

# MERRY CHRISTMAS

## CANADIAN NATURAL HORSEMANSHIP INC.

2012 has been a GREAT year for us!! We will soon be releasing our next DVD set "Introduction to Riding"! You can expect the same clear, step by step detailed instruction as with the "Round Penning and On-Line Ground Work" DVD set!

The "Introduction to Riding" DVD set is intended to be used as a follow-up from the "Round Penning and On-Line Ground Work" DVD set. The Audio CD, "Effective Horsemanship and Equine Behaviour" is a great fit to go along with the DVD sets, giving you a deeper insight into your horse and Equine Behaviour!

### SIX-BARR RANCH - HOME OF CANADIAN NATURAL HORSEMANSHIP INC.

**Six-Barr Ranch has been carefully selecting brood mares and stallions to focus on quality rather than quantity of horses. These horses have exceeded our expectations!**

We have a great selection of horses now available. All of our buyers are pre-approved to ensure a good match between horse and handler has been made. Included in the purchase price is personal instruction from Nettie Barr to the horse's level of training. Setting people and horses up for success with lasting results is our goal. For more information contact Six-Barr Ranch: Phone - 780.354.3401 or Email - [six-rch@telus.net](mailto:six-rch@telus.net)
